---

**Dear Parents/Guardians,**

We hope this message finds you well. As we eagerly anticipate another engaging day at Heroes Centre Limited, we're thrilled to share the Home Education schedule for the Group. Sabina will be leading the children through an assortment of exciting activities aimed at fostering creativity and support for Children in Need.

**Activity 1: Making Spotty Bear Headbands** Children will enjoy crafting headbands adorned with spots, inspired by the Children in Need theme. This creative activity not only promotes fine motor skills but also gets them in the spirit of the day.

**Activity 2: Making a 3D Children in Need Money Box** Kids will construct their very own 3D money boxes to collect donations in support of Children in Need. This activity encourages generosity and a sense of giving to help those in need.

**Activity 3: Children in Need Bingo** A fun-filled game of Children in Need-themed bingo awaits the children. This activity promotes social interaction, and cognitive skills, and raises awareness about the cause.

**Activity 4: Making Our Own Pudsey Bear Bookmarks** Children will create adorable Pudsey Bear-themed bookmarks, fostering creativity and love for reading. These personalized bookmarks will serve as a reminder of their support for Children in Need.

We are confident that these activities will not only offer an enjoyable time but also instill the values of empathy and support for those in need. Please ensure your child is ready to participate in each session. Should you have any queries or require further information, please don't hesitate to contact us. Our dedicated team is committed to providing a meaningful and memorable home education experience for your child.

Warm Regards,  
Heroes Centre Limited
