---

Dear Parents/Guardians,

We hope this message finds you well. As we gear up for another delightful day at Heroes Centre Limited, we are excited to unveil the Home Education schedule for Wednesday. Our team has curated a set of engaging activities designed to spark creativity and festive joy.

- **Activity 1: Making a Snowflake Sun Catcher** Children will embark on a winter wonderland adventure as they craft their own snowflake sun catchers. This hands-on activity combines artistry and imagination, creating a beautiful decoration that captures the magic of snowflakes.
- **Activity 2: Making a Gingerbread House Craft** In this delightful craft session, participants will construct their own gingerbread houses, bringing a touch of sweetness and holiday spirit to their creative endeavors.
- **Activity 3: Making Snowflake Crafts** Building on the winter theme, children will engage in crafting various snowflake designs, exploring different shapes and patterns to express their individual creativity.

We believe that these activities will not only provide a delightful mix of fun and learning but also contribute to the festive spirit of the season. We kindly request that you ensure your child is well-prepared to participate in each session. Should you have any questions or require further information, please do not hesitate to contact us.

Our dedicated team is committed to providing a rewarding and memorable home education experience for your child.

Warm Regards,  
Heroes Centre Limited
