# HEROES TUITION

---

Financial support information

Government backed schemes to help parents pay towards childcare costs  
You can use a selection of these schemes at Heroes Tuition as all our tuition centres are Ofsted registered tuition centres. Below is a breakdown of the different schemes and their respective eligibility criteria.

For the most up to date information, please visit [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk). If you have any further questions you can reach us on 0330 043 4254. One of the team will be more than happy to help.

### **Childcare Vouchers**

- For working families
- With children between 0-15 (or 0-16 if disabled)
- Up to £933 a year in tax and National Insurance savings

The Childcare Voucher amount you choose to deduct is taken off your salary before you pay tax and National Insurance. Therefore, you pay less tax and National Insurance as your pre-tax salary is reduced.

Many people qualify for Childcare Vouchers and don't even know it. Usually, parents only use Childcare vouchers for children attending a nursery, at Heroes Tuition, you can use them for children aged 15 or younger.

To find out if you are eligible speak to your employers HR department – it is a scheme that all employers can register for regardless of the size of the company.

Childcare providers we use:

- Fideliti Childcare Voucher Scheme
- KiddiVouchers
- Sodexo
- Computershare Voucher Services

### **Tax-free Childcare**

- For working families
- With children between 0-15 (or 0-16 if disabled)

For every £8 you pay in, the government will add an extra £2, up to £2,000 per child per year.

Tax-Free Childcare has been introduced by the government to support working parents with the costs of childcare, the childcare provider must be Ofsted registered.

Eligible parents can open an online account to make childcare payments. You will be eligible if you are a single working parent or a couple where both parents are working and earning over £120 per week, but no more than £100,000 per year.

Additional support is available for disabled children.

### **Tax Credits for Childcare**

- For working families
- With children between 0-15 (or 0-16 if disabled)
- Get up to 70% off your childcare costs, up to a cap

If you are entitled to Working Tax Credit, and you and any partner are working at least 16 hours a week each, you can claim back up to 70% of your eligible childcare costs for children between 0-15 (or between 0-17 for disabled children). Depending on your income, you could get up to £122.50 a week for one child or £210 for two or more.

The childcare you pay for must be registered as a childcare setting like Heroes Tuition. You may also be eligible for Child Tax Credit, even if you're not working. The best way to find out if you're entitled to working tax credits for childcare is by calling the HMRC helpline on 0345 300 3900. It is important you explain to HMRC telephone operators that Heroes Tuition is a registered childcare setting.

### **Universal Credits for Childcare**

- For working families
- With children between 0-15
- Get up to 85% off your childcare costs, up to a cap

If you, and any partner, are working, or you're due to start work, and you're claiming Universal Credit, you can get a reduction of up to 85% off your childcare costs for children between 0-15 years of age.

All Heroes Tuition centres are Ofsted registered tuition centres, which means this scheme can be used to help pay towards your child tuition fees. You may

be eligible for up to £646 a month for one child, or up to £1,108 for two or more children.

Download the app HMRC

Login using your gateway USER ID (This could be up to 12 characters)

Go to Home page > report a change or circumstance > childcare costs > press continue > add a provider (we will be able to give you this information).

### **Childcare Grants**

- For full time university students
- With children between 0-14 (or 0-16 if disabled)
- Get up to 85% off your childcare costs, up to a cap

The grant is available to full-time students who are receiving or are eligible for a student finance package. The grant can be used at Heroes Tuition as all our tuition centres are Ofsted registered tuition centres. If you are a part-time student or receive Working Tax Credits, then you won't be eligible for this grant.

The grant does not have to be paid back and is separate to payments you receive as part of other student finance payments. You can find out more and apply for a childcare grant here: [www.gov.uk/childcare-grant](http://www.gov.uk/childcare-grant).

CCG Reference Number: CCG4684854

### **Salary Sacrifice**

- For working families
- With children between 0-15

If you take part in a salary sacrifice scheme, you can give up part of your pay in return for a non-cash benefit, which can be used for childcare – which allows you to save on tax and National Insurance.

Anyone who works for or owns a limited company is entitled to take part in the salary sacrifice scheme, if the company doesn't offer childcare vouchers through a third-party provider. website: <https://www.gov.uk/guidance/salary-sacrifice-and-the-effects-on-pay>

## **Pupil Premium**

Pupil premium is funding to improve education outcomes for disadvantaged pupils in schools in England. Evidence shows that disadvantaged children generally face additional challenges in reaching their potential at school and often do not perform as well as other pupils.

Funding paid to schools

School leaders are best placed to assess their pupils' needs and use the funding to improve attainment, drawing on evidence of effective practice. It is up to school leaders to decide how to spend the pupil premium.

Evidence suggests that pupil premium spending is most effective when schools use a tiered approach, targeting spending across 3 areas, with a particular focus on teaching.

### **1. Teaching**

Investing in high-quality teaching, for example:

- training and professional development for teachers
- recruitment and retention

- support for teachers early in their careers

## 2. Targeted academic support

Additional support for some pupils focussed on their specific needs, for example:

- one-to-one tuition
- **small group tuition**
- speech and language therapy

## 3. Wider approaches

Support for non-academic issues that impact success in school, such as attendance, behaviour and social and emotional challenges. For example:

- school breakfast clubs
- counselling to support emotional health and wellbeing
- help with the cost of educational trips or visits

For further information on pupil premium and if you're allowed to use it for your child's tuition, then please contact your school, once the school agrees, Heroes Tuition will invoice the school.
