Dear Parents/Guardians,

We trust this message finds you well. As we eagerly anticipate another enriching day at Heroes Centre Limited, we are excited to unveil the Home Education schedule for tomorrow. Sabina and Shruti will be at the helm of their respective groups, guiding the children through an array of engaging activities designed to foster learning, creativity, and enjoyment.

Sabina's Group:

Activity 1: Making World Flags with Quiz

Children will explore cultures and geography as they create flags from different countries using art materials. An accompanying quiz will enhance their knowledge of countries and their symbols.

Activity 2: Building 2D/3D Shapes

Through hands-on construction, kids will learn about geometric shapes in two and three dimensions. They'll discover how flat shapes can transform into three-dimensional forms, enhancing their spatial understanding.

Activity 3: Making Masks

Fostering creativity, this activity allows children to design and decorate masks using various craft materials. They'll express themselves while developing fine motor skills and exploring different artistic styles.

Activity 4: Making Rockets Arts/Crafts

This exciting arts and crafts project involves constructing rockets from everyday materials. Kids will combine their imagination with engineering concepts to create their own space-themed artworks, sparking interest in science and space exploration.

Shruti's Group:

Activity 1: Poster Making

Poster Making - In this activity, children will have the opportunity to unleash their creativity as they design and create their own posters. They can choose any theme or topic that interests them and use various art supplies to make their posters visually appealing and expressive.

Activity 2: Making 3D Chicks/Birds

Making 3D Chicks/Birds - Through this hands-on craft activity, children will learn how to make adorable 3D chicks or birds using paper, glue, and other materials. This activity will not only enhance their fine motor skills but also encourage them to follow step-by-step instructions and bring their imaginative ideas to life.

We are confident that these activities will offer a delightful blend of enjoyment and learning. We kindly request that you ensure your child is well-prepared to participate in each session. Should you have any queries or require further information, please do not hesitate to contact us. Our dedicated team is committed to providing a rewarding and memorable home education experience for your child.

Warm Regards,

Heroes Centre LTD
