Dear Parents/Guardians,

We hope this message finds you well. Tomorrow's home education session promises to be an engaging and enjoyable day for all the children. We are pleased to inform you that the session will be led by Sabina for Group 1 (Ages 5-11) and Shruti for Group 2 (Ages 11+).

Group 1 Activities:

Drawing Spellings: The children will take turns drawing pictures that are related to one of their assigned spellings. The other participants will have to guess the word and spell it correctly. This activity aims to make learning spellings fun and interactive.

Animal Paper Crafts 3D: In this creative craft activity, the children will create 3D paper crafts of various animals. It will encourage their imagination and fine motor skills while learning about different animals and their habitats.

Sports Day: Get ready for some fun-filled physical activities and friendly competitions. Sports day will involve a range of games and challenges to keep the children active and motivated.

Group 2 Activities:

Outdoor Activities: Group 2 will engage in outdoor activities that promote teamwork, problem-solving, and physical fitness. The children will have the opportunity to enjoy the fresh air while participating in enjoyable group games.

Mindful Colouring: This activity encourages mindfulness and relaxation. The children will engage in mindful colouring exercises, allowing them to express their creativity and find moments of tranquility.

Design Your Own Potato Character: Unleash creativity as the children design and decorate their own potato characters. This activity fosters imaginative thinking and artistic expression.

Sudoku Puzzle: Challenge the children's logical thinking and problem-solving skills with Sudoku puzzles. It's a fantastic way to keep their minds engaged and sharp.
