Dear Parents/Guardians,

We hope this message finds you well. We would like to share with you the schedule for tomorrow's home education session, where all children will be grouped together:

10:00 AM - 11:00 AM: Making Paper Plate Fish

In this creative and fun activity, we will be making paper plate fish. The children will have the opportunity to express their creativity and imagination as they design and decorate their fish using various materials. There are multiple ways to create these paper plate fish, allowing each child to put their unique touch on the project.

11:00 AM - 12:00 PM: Tongue Twisters

Tongue twisters are an exciting way to practice and improve pronunciation and fluency. We will engage in a series of tongue twisters that will challenge the children's speech and language skills. This activity is not only entertaining but also helps in improving accents by using alliteration.

12:00 PM - 1:00 PM: Lunchtime Adventure and Play

The children will have lunch and enjoy free playtime, allowing them to relax, recharge, and socialize with their peers. Playtime is essential for their social, emotional, and cognitive development.

1:00 PM - 2:00 PM: Maze Puzzle Activities

During this session, we will explore maze puzzle activities that offer numerous benefits for children. Solving mazes helps in the development of fine motor skills, enhances cognitive abilities and concentration, and improves pencil control and dexterity skills. The children will have a blast navigating through various maze challenges.

These activities have been thoughtfully designed to provide an enriching educational experience, fostering creativity, sensory development, and cognitive skills. Please ensure that your child is ready and prepared to participate in each session.

If you have any questions or concerns, please don't hesitate to reach out to us.

Best regards,
Heroes Centre LTD
