Dear Parents,

We hope this letter finds you and your family in good health and high spirits. We are excited to inform you about tomorrow's home education session, where we have planned a range of engaging activities for your children. Please take note of the schedule and activities outlined below:

Group Division:

To ensure an age-appropriate learning environment, we have divided the children into two separate groups:

Group 1 & 2: Children aged 4 to 8 years old

Group 3 & 4: Children aged 9 years and above

Activity Schedule:

10:00 am - 11:00 am:

Group 1 & 2 (4 to 8-year-olds) will be led by Sam for an energetic session involving exercise, dodgeball, and football.

Group 3 & 4 (9 years and above) will be under the guidance of Sabina, who will be conducting an exciting chocolate making activity.

11:00 am - 12:00 pm:

Sam will engage the older group (9 years and above) in a creative task. They will be using stencils to decorate a wall at the centre.

Simultaneously, Sabina will be conducting the chocolate making activity with the younger group (4 to 8-year-olds).

12:00 pm - 1:00 pm:

This time slot will be designated as free time, allowing the children to relax, socialise, and enjoy some unstructured playtime.

1:00 pm - 2:00 pm:

All children, regardless of their age groups, will come together for a special session led by Sabina and our dedicated volunteers. During this time, they will be creating posters centered around the theme of kindness. This activity aims to promote values of empathy, compassion, and respect among our young learners.

We kindly request you to ensure that your children arrive promptly. **For the chocolate making activity, please inform us of any allergies or dietary restrictions your child may have, so we can make suitable arrangements.**

Thank you for your continued support in fostering a positive learning experience for your children. We look forward to seeing them tomorrow and witnessing their active participation in these exciting activities.

If you have any questions or concerns, please do not hesitate to reach out to us. We value your feedback and suggestions as we strive to make each educational session memorable and impactful.

Best regards
