Dear Parents/Guardians,

We hope this message finds you well. As we approach the festive season at Heroes Centre Limited, we're delighted to share the Home Education schedule for Group 1. Sabina will be guiding the children through a series of fun and festive activities.

Activity 1: Decorating Gingerbread Men Biscuits

Children will get into the holiday spirit by decorating their own gingerbread men biscuits. This hands-on and delicious activity not only encourages creativity but also provides a festive and tasty treat.

Activity 2: Making Christmas Cards/Holiday Cards

In this heartwarming session, kids will have the opportunity to create their own Christmas or holiday cards. This activity not only fosters creativity but also instills the joy of giving as they can share their cards with family and friends.

Activity 3: Christmas Puzzles and Games/Mindful Coloring

The day concludes with a mix of festive puzzles and games to spark holiday cheer. Additionally, children can engage in mindful coloring, promoting relaxation and focus during the bustling holiday season.

We believe these activities will bring a festive and joyful atmosphere to our home education day. Please ensure your child is ready to participate in each session. If you have any questions or need further information, please feel free to contact us. Our dedicated team is committed to providing a memorable and enjoyable home education experience for your child.
