---

**Dear Parents/Guardians,**

We hope this message finds you well. As we continue to explore creativity and engage in fun learning experiences, we are excited to announce a special day of artistic and brain-teasing activities for our Home Education children at Heroes Centre Limited.

Join us for a day filled with artistic expression and mental challenges. The activities planned for the day include:

**Activity 1: Drawing Your Own Tote Images** Children will unleash their creativity by drawing their own unique images on paper. This initial activity sets the stage for imaginative expression and the development of personalized tote bag designs.

**Activity 2: Designing Your Very Own Tote Bag** Building on their drawn images, kids will then have the opportunity to transfer their creative designs onto their very own tote bags. This hands-on crafting activity not only promotes artistic flair but also results in a functional and unique tote bag that they can proudly call their own.

**Activity 3: Activity Sheet - Riddle Code Breakers** Engage in some brain-teasing fun with activity sheets that feature riddles and code-breakers. This activity encourages critical thinking, problem-solving, and decoding skills in an entertaining and interactive way.

We encourage the children to come dressed comfortably for the crafting activities. Please ensure your child is prepared for each activity. If you have any questions or need further information, feel free to contact us.

Our dedicated team is committed to making this creative day a memorable and enjoyable experience for your child.

Warm regards,  
Heroes Centre Limited
