Dear Parents/Guardians,

We trust this message finds you well. As we eagerly anticipate another enriching day at Heroes Centre Limited, we are excited to unveil the Home Education schedule for Wednesday. Sabina will be guiding the children through a series of engaging activities designed to foster learning, creativity, and enjoyment.

Activity 1: Remembrance Day Poppy Craft In honor of Remembrance Day, children will participate in a meaningful craft activity. They'll create poppy flowers using art materials, a symbol of remembrance and respect for those who have served and sacrificed. This activity encourages understanding and appreciation of history and tradition.

Activity 2: Making Corn Flour Slime Kids will have a blast experimenting with science and texture as they make corn flour slime. This hands-on activity will engage their creativity and curiosity while learning about the properties of materials.

Activity 3: Mazes and Puzzles The day concludes with an enjoyable exercise in problem-solving. Children will have the opportunity to tackle mazes and puzzles, sharpening their critical thinking and cognitive skills.

We are confident that these activities will offer a delightful blend of enjoyment and learning. We kindly request that you ensure your child is well-prepared to participate in each session. Should you have any queries or require further information, please do not hesitate to contact us. Our dedicated team is committed to providing a rewarding and memorable home education experience for your child.

Warm Regards,
Heroes Centre Limited
