Dear HAF provider

Thank you for taking part in the HAF 2023 Summer programme.

During each HAF delivery period The HAF project team and members of the steering group carry out regular contacts and communications to evaluate the provider’s overall ability to meet the HAF principles, quality and standards in line with the principles and requirements of the DfE Guidance.

As you are aware a member of the project team attended your Easter activity to complete a Quality Assurance visits

Please see below comments and scoring from your Quality assurance visit:

| Quality assurance area | Notes | Score |
|---|---|--------------|
| Quality of SEND support | There were 2 children who had 121 supports but only 1 funded through HAF | 5 |
| Quality of the food provided | so far on the menu there has been chicken pasta, chicken wraps. the menu is sent home to parents for the yp to choose healthy food education is done on Monday for all groups discussing 5 a day, fruit and veg portions. | Excellent |
| Quality of food education available | Some of the other yp were able to serve the food to the younger children. there was lots of food on offer. Learning about food and nutrition | Excellent |
| Quality of enrichment activities available | Excellent - Delivered above expectations on all of the standards and requirements. | Excellent |
| Overall Rating of the provision | Hero's deliver a very good provision, which is organised well allowing them to cater for a large number of children within their building. The children are clearly identifying no consent for photos from red bands. and groups rotate around activities throughout the day. they use a WhatsApp for parents and photos shared here. Trips have also been included within the week. They have an outside area with artificial grass play football dodge ball cricket swing and skipping music played whilst outside. | Excellent |

The HAF team are available for any feedback meetings if you would like to discuss your Quality assurance summary.
