Dear Parents/Guardians,

We hope this message finds you in high spirits. As we prepare for another day of thrilling adventures at Heroes Centre Limited, we are excited to share the enticing lineup of activities awaiting your children in Sabina's and Shruti's groups.

Sabina's Group: A Day of Creativity, Learning, and Space Exploration

Activity 1: Flip Book Animation Extravaganza Prepare to be amazed as your child delves into the magical world of animation! In this exciting activity, they will create their very own flip book animation, learning the art of storytelling through pictures in motion. It's a journey into creativity and imagination that promises to leave them awestruck.

Activity 2: Multiplication Game Challenge It's time to put those math skills to the test! Your child will embark on an adventure in mathematics as they design and create their very own multiplication game. This interactive activity not only reinforces mathematical concepts but also fosters creativity and strategic thinking.

Activity 3: Journey into Space - Making a Spaceship Porthole Blast off to the cosmos! In this cosmic adventure, your child will learn about the wonders of space while crafting their own spaceship porthole. It's an opportunity to spark their interest in space exploration and unleash their creativity as they design this unique cosmic window.

Shruti's Group: Laser Tag and Basketball Bonanza

Activity 1: Flip Book Animation Extravaganza The magic of animation awaits! Just like Sabina's group, children in Shruti's group will embark on a journey into the world of animation, creating their flip book animations. It's an artistic adventure that encourages storytelling through moving pictures.

Activity 2: Laser Tag Adventure Get ready for an adrenaline-packed experience! We're excited for a thrilling game of strategy and excitement. Your child will engage in friendly competition and teamwork while navigating this action-packed game.

Activity 3: Cosmic Exploration Prepare for an interstellar journey! In this cosmic adventure, your child will delve into the mysteries of space. They'll learn about planets, stars, and the vastness of the universe. To make this experience even more special, they'll
